

# Rakesh Das

Professional Website Developer | Delhi, India | rakeshkd108@gmail.com | +91 93346 92208

## Career Objective

Looking for an entry into a highly professional organization with a challenging and competitive environment where I can use my knowledge base as well as personal attributes to achieve the organizational goals.

## Education

**B.Com Pass** - Delhi University (2020 - 2023)

**Higher Secondary Education** - CPP College Hisar (2018 - 2020)

## Technical Skills

HTML5, CSS3, JavaScript (ES6+), ReactJS, NextJS, Node.js, Express, SQL, Git & GitHub

## Experience

**Freelance Web Developer** (2024 - Present)

Building high-performance landing pages, custom dashboards, and API integrations for client startups globally.

**Web Development Intern** - PixelPerfect Digital Agency (2023 - 2024)

Contributed to internal front-end pipelines using HTML, CSS grid frameworks, and JavaScript.

## Achievements & Projects

- First Place: Kolkata Coding Sprint Award (36-hour Hackathon winner)
- Developed 'Alpha Dash Metrics' SaaS analytics dashboard
- Developed 'Aura Luxury Apparel' minimalist ecommerce store
